Thank you for your interest in becoming a Majestic Trees Trade Customer. Registering is straightforward, requiring just a few professional details which will verify your status as a bona fide professional horticulturalist. It only takes a couple of minutes, but ensures that your customers are not extended the same trade terms.

This will allow you to purchase our trees at trade prices, give you online access and the ability to view the trade price list via the log-in buttons at the top of our home page. Please complete the Trade Registration below with your full details, email address together with 2 trade references.
